

Fifty/Fifty Donations

People who are interested in adding an item to the Berlin Public Library collection that the library does not already own have the option of paying for half of the item as a donation to the library. When you pay for half of the item, you will receive the item first to borrow from the library. However, offering to pay for half of the item does not guarantee that the item will be added to the collection. You will be contacted by the Youth Services Librarian or Adult/Teen Services Librarian regarding your offer.
