## *WHO WE ARE*

Friends of the Berlin Public Library work to make the Berlin Public Library a resource for enrichment and enlightenment for our community. Our members are library lovers and community volunteers that promote library services and resources, encourage library use, share their love of books with the community, and have fun donating our time to help our community library. Our purpose is to foster a positive relationship between the library and the community, secure volunteers, and raise funds to lend financial support to the library.

## MEMBERSHIP FORM

### *HOW YOU CAN HELP*

Membership in the Friends of the Berlin Public Library is open to any person or organization interested in our mission. Your membership dues help the Friends achieve many goals.

The modest yearly dues from our members help support the organization. All additional contributions are used to fund furnishings, capital improvements and projects. Contributions also fund the programs of the library for adults, children, and teens including summer reading programs.

The time you give is as important as monetary donations. Friends are indispensable to the operation of the book sales, and volunteers lend a hand at library events.

### *HOW YOU BENEFIT*

Members of the Friends of the Berlin Public Library gain great satisfaction from helping the library, but they also reap rewards as patrons. Friendships develop as members share camaraderie and fun activities, and bond over their mutual love of books, reading, and the library.

Members also have the satisfaction of knowing that they have helped make possible the FREE programs that make the Berlin Public Library a tremendous asset to the community.
